

Microwave Incredible 12 minute cakes!!

Just follow these simple steps:

1. Mix eggs and pie filling in Batter Bowl (a whisk works for most)
2. Add cake mix and blend well with Mix n Scraper.
3. Pour batter into Rice Cooker Plus and microwave on high for 12 - 13 minutes
4. Let cool 10 minutes and invert on platter

If you do not have a Carousel, rotate 1/4 turn every 3 minutes. Check with a cake tester and if not

done then cook 1 minute more each time before testing again.

Garnish with icing, whipped topping, more pie fillings, nuts, etc. The best results are found with cake mixes containing puddings or the new moist cakes.
